

# Busy Ideas 3

## Variations

## BOARD

From Travel Scrabble

This board is on a foldable box - convenient for travel and can be played anywhere. Even better - the box can be used for storage.

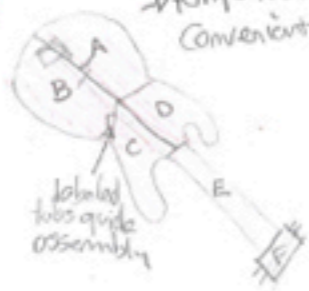

a boring card folding board

From Monopoly

perhaps make the board fabric? easy + light to transport.

perhaps made out of segments? convenient for storage shapes!

labeled tabs quick assembly

## STORAGE

From 'mystery date'

vacuum formed plastic holder

Play pieces etc

store in cloth bag?

rolling card in box?

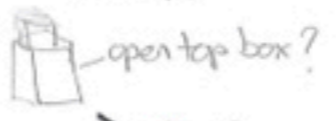

not one for a certain board - better? - easier?

shaving pieces you need for your board?

## Cards Storage

open top box?

some kind of dispenser where next card slides out?

cards stored upright on some kind of rack

like scrabble?

## CARDS

and action cards

From 'chez Gith' by Steve Jackson games

bold titled player cards

point scoring system

point value of cards

perhaps diff categories to collect points in?

AIM - to get extra points by completing challenges requiring certain cards or stats.

AIM - to get the most points by collecting as many as possible

Your opponent is weak! +10 health

quote: perhaps from one of the board's? two types of card - player and action

points based on opponent (i.e. other players cards)

useful if two players have some challenge or draw etc

## BOX

fit on incl

small + compact

poster holder tube

fold in lid

easy access no loose parts

slide in box

easy to access

flaptop lid

+ no loose components
