

Beat Box Records

The font is def-tone Stylus which is an old record font.

The shop will be made from foam-board

The speaker windows will display CD's and promotions.

I will cut out magazine style people to give the model scale.

I will cut out the music shapes using this laser cutter.

The colour scheme is based on an Ipod.

The music shop is shaped like a hi fi.

I will use model plants from a model railway shop.

GP shop front: beat box records pictorial drawing

Name: Mr Cooper

Materials: Foamboard, balsa wood and pvc.
