By K.Cooper 2006

Cut out your main card and fold here

Cut lines ——
Fold lines -------

Cut this section out!

Cut along this line
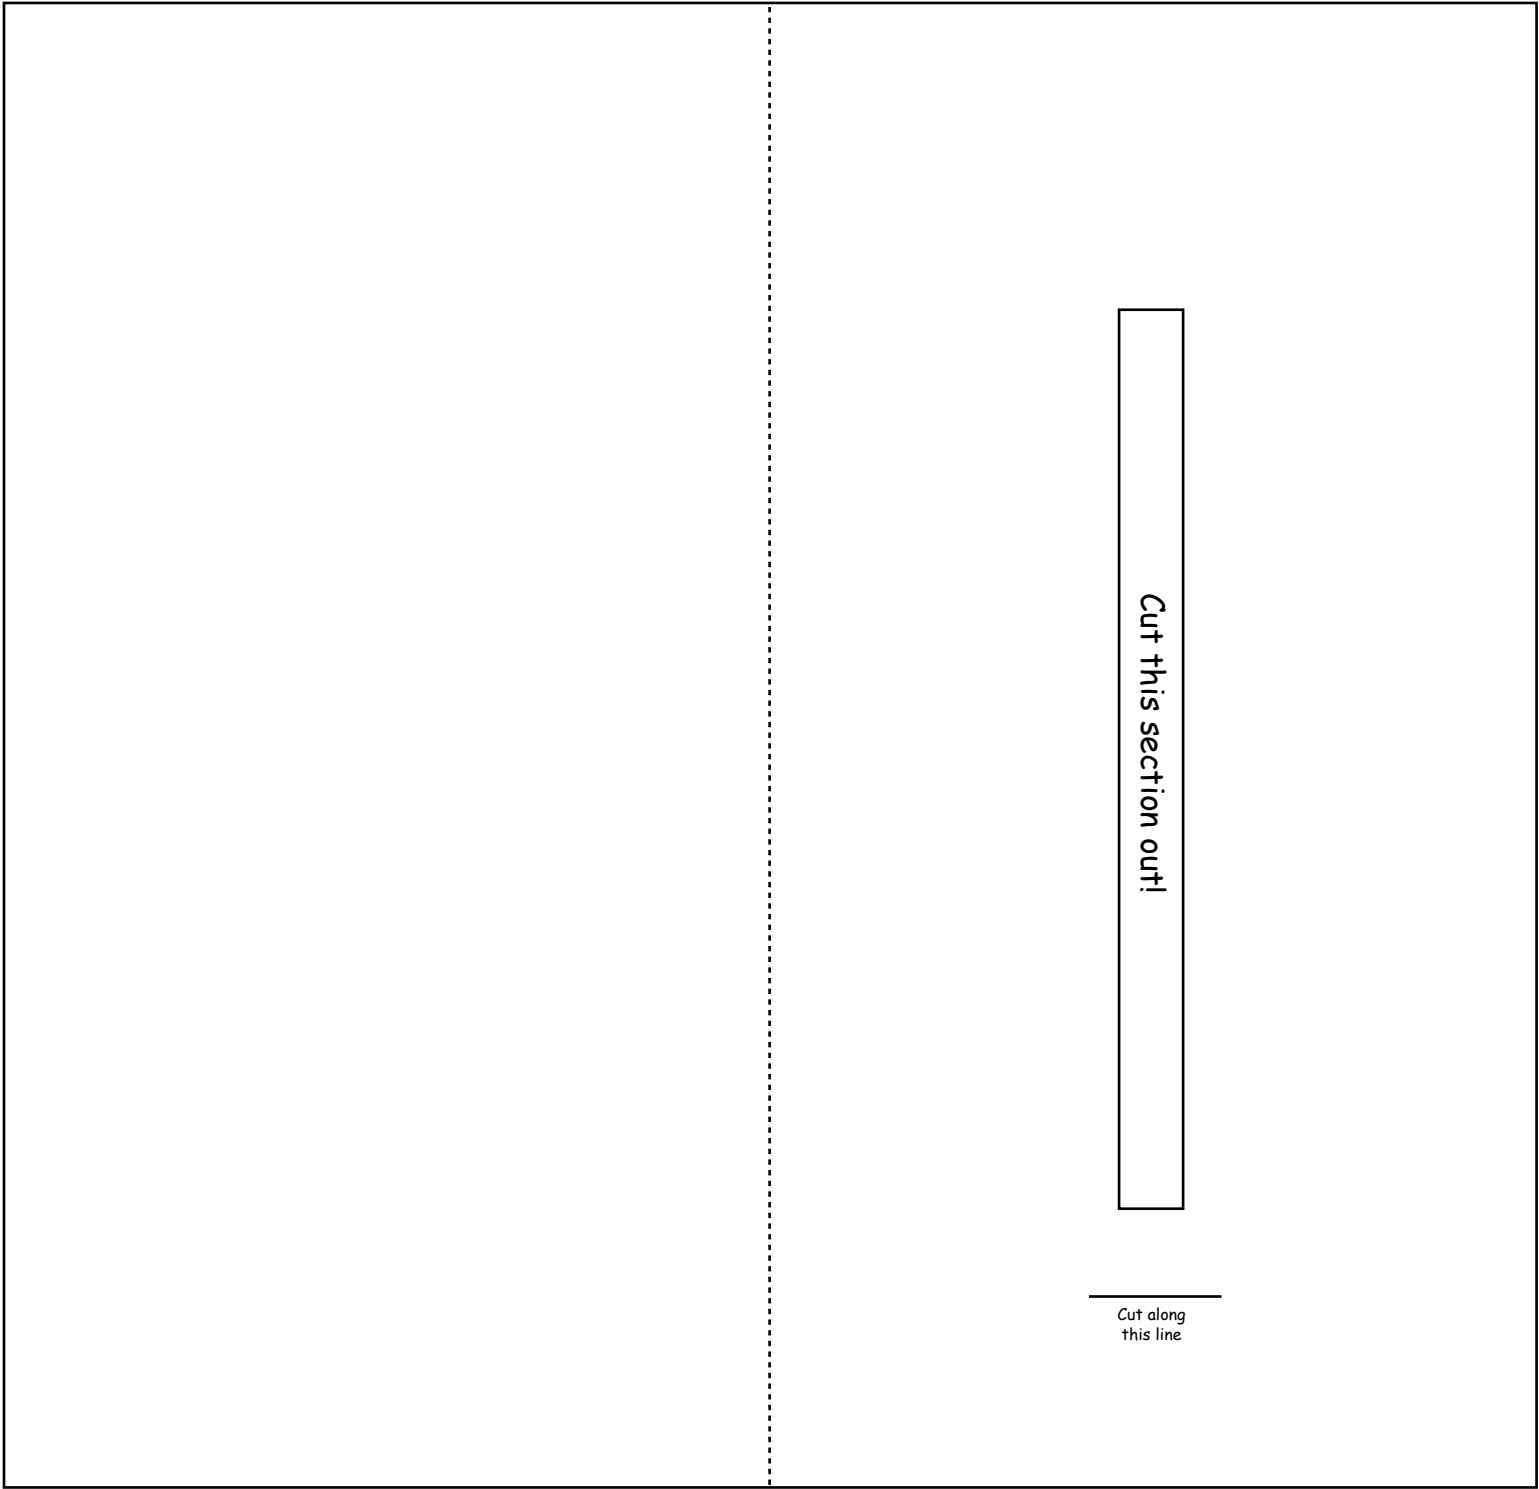

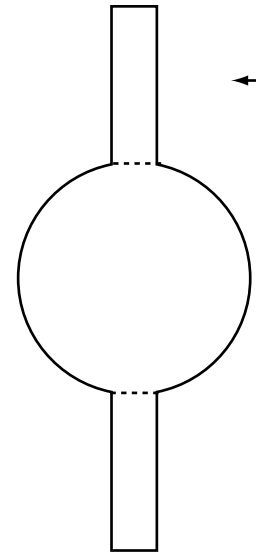

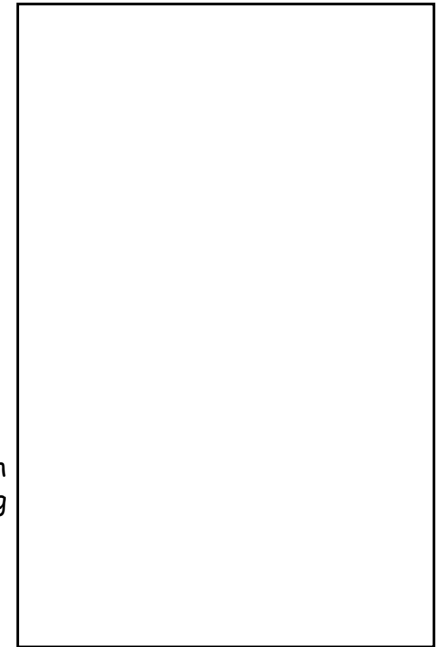

← Cut out the circle and extra tabs. Then fold back the tabs and glue them to the pull me stick. Make sure you glue them through the hole in the main card!

Draw your card decoration below and then stick this to your circle! ↓

Pull Me

Pull me stick. This folds through the cut along line!
